**25 Ruawai Wharf Road, Ruawai**

## **Facilities**

The following facilities are available in the Ruawai-Tokatoka War Memorial Hall:

### **1) The Main Hall**

The hall is large with a wonderful floor made of native matai timber; and at one time was considered (and possibly still is) the best dance floor in the area.

At present it is used by Ruawai Indoor Bowls for games and several netball teams for practices. It is very suitable for badminton, volleyball and other sports and of course dancing. There is a stage suitable for bands or performances.

It is used for weddings, funerals, large dining parties etc.

The ANZAC Remembrance Service is also held here. Over 200 chairs are available for such occasions. Tables are available for sit-down dinners for up to 200 people.

The Ruawai Lions have their annual Senior Citizens Luncheon.

The Ruawai Garden Circle has two flower shows each year in the main hall.

The Main Hall is also suitable for young people's groups with plenty of room to run around and play games.

## **2) Social Lounge/Conference Room**

This large room can serve a number of purposes.

The room has tables and chairs and as such can be used as a dining room for smaller parties (up to 60 people).

By removing the tables and replacing them with rows of chairs it can serve as a conference or meeting room for approximately 100 people.

For large events held in the Main Hall, buffet style food can be served in this room.

## **3) Meeting Room**

This room has been refurbished within the last few years and makes a lovely, comfortable room for smaller meetings (up to 25 people).

It also has tables and chairs, but if needed the tables can be moved aside and chairs lined up to accommodate more people.

A small kitchenette is attached to the meeting room which can be used to serve a cup of tea and a biscuit.

## **4) The Kitchen**

The Hall boasts a large, fully equipped kitchen which can be used to prepare anything from a cup of tea to dinners for a large number of guests. The kitchen has a 'Food Premises License'.

Cutlery, Mugs and Crockery for up to 200 settings is available.

## **5) Toilets**

The ladies toilets have been recently renovated. Other renovations are planned as money becomes available.
